

## ***Vanguard Training 7***

### ***Chapter 2: Find Your Identity in Christ***

Share feedback on enlisting vanguards: pray, share and jump.

#### **Read Ephesians 2: 11-22**

Summarize this Scripture's teaching about Christ's blood creating one united and diverse household of God.

If Jesus, Himself, is our peace, how does this impact our vanguard movement to fulfill His commission?

What are some of the conclusions, challenges or ideas that you liked about each section of Chapter 2 in *Vanguards of a Missionary Uprising*?

What questions do you have about Chapter 2?

Do you agree with the author's conclusions about the differences between the old and new way of thinking about cultures? Why or why not?

Weigh the importance of a disciple-maker's race in campus ministry.

What would be multi-cultural alternatives to segregating campus ministries by black and white American races, Asian and Hispanic American ethnicities, and international students?

Brainstorm innovative ways that African-American Christian students may learn how to translate other cultures to become vanguard leaders of a culturally complex international missions force.

What challenge from the chapter stirs you the most and what steps will you take to step up for Christ?
